District Deputy Grand Master (DDGM) Training Schedule for 2025 Term

Since entering the Grand Line and now as your Deputy Grand Master, I have spent considerable time and study investigating and understanding how and why the DDGM's in neighboring States and other jurisdictions are so effective. The methods and amount of training and information they receive is superior to ours.

Emulating the success of our neighboring brother DDGMs will be the direction we are heading in 2025. The new DDGM program will consist of the current Masonic Districts being grouped into 4 Regions with a Senior DDGM guiding, supporting, and mentoring the DDGM's in his Region. Each Senior DDGM will support between 9 and 11 DDGM's within his Region.

We will be creating a database for current DDGMs and interviewing future candidates for consideration when replacements are needed, as well as, for future administrations to consider. ***Any brothers who are Current or Past Worshipful Masters and are interested in being considered for a DDGM appointment are encouraged to attend.***

It is my hope that this training will allow brothers to know what the position and responsibilities are and what is expected of them prior to accepting a position if offered one.

The classes will also include working through scenarios and lodge issues that seem to be the most common and prevalent.
